

# The Federation of British Bonsai Societies (FoBBS)

## New Talent Competition (NTC)

The competition is open to any bonsai society member or individual, providing they are not employed in full time employment as a bonsai professional.

They may not be a previous winner of the FoBBS New Talent Competition.

The winning prize is the opportunity to represent the UK at the next European NTC Final, for which the Federation will contribute to the costs of travel and accommodation.

Applicants must provide their own tools, wire, turn-tables and associated materials.

By signing this document to be considered for entry to the UK qualifying round of the European NTC, you are demonstrating an understanding of the points above.
